ERASMUS INTENSIVE PROGRAMME HIPOLIN 2014 / 30 June- 11 July 2014

Students Selection

Dear all,

Thank you for participating in HIPOLIN 2014 Erasmus IP, which will be held at the "House of Culture" in Rethymno, Crete, from 30th of June until 11th of July 2014.

HIPOLIN Intensive Programme (IP) is organized by The Technological Educational Institute (TEI) of CRETE, with the participation of the following 14 partner Institutions:

1. Czech Technical University in Prague (Czech Republic)
2. Ecole Polytechnique (France)
3. University of Bordeaux 1 (France)
4. University of York (United Kingdom)
5. Imperial College London (United Kingdom)
6. Queen's University of Belfast (United Kingdom)
7. University of Bern (Switzerland)
8. University of Milano - Bicocca (Italy)
9. Sapienza University of Rome (Italy)
10. Military University of Technology -Warsaw (Poland)
11. Technical University of Madrid (Spain)
12. Technical University of Crete (Greece)
13. Democritus University of Thrace (Greece)
14. University of Ioannina (Greece)

The IP Course is designed for advanced undergraduate, graduate and PhD students, with background in Physics, Mathematics and Engineering.

The programme covers travel expenses, accommodation and subsistence cost for teachers and students participating in the IP, provided they are students or teachers of the Partner Institutions, mentioned above. Please take into consideration that for institutions within Greece, refund is possible only in the case were the distance of the partner institution from the venue is greater than 100Km.

Students' selection is a responsibility of each Partner Institution. **Up to a maximum of 36 students for the 13 participating Institutions, which are entitled to reimbursement.** If there are no participants from a partner institution, then it is possible another partner to increase the number of attendees. Prerequisite for participation is good knowledge of English which will be used throughout the course.

Below you may find the basic financial information you may provide to the students to get started with the selection procedure:

Especially for the IP students, the programme covers full cost of accommodation expenses (breakfast and dinner included) in Hotel Brascos in Rethymno from the 29th of June (arrival day) until the 12th of July (day of departure) and refunds 90% of each student's total travel expenses, provided that the prices of their travel cost (roundtrip) are in line with the following financial ceilings.

| Institution | Ceilings |
|--|--|
| <ol style="list-style-type: none">1. University of Ioannina (Greece)2. Democritus University of Thrace (Greece) | Ceiling for Travel expenses 300€ (max refundable amount 270€) |
| <ol style="list-style-type: none">1. Ecole Polytechnique (France)2. University of Milano - Bicocca (Italy)3. Sapienza University of Rome (Italy)4. Imperial College London (United Kingdom)5. Technical University of Madrid (Spain) | Ceiling for Travel expenses 400€ (max refundable amount 360€) |
| <ol style="list-style-type: none">1. Queen's University of Belfast (United Kingdom)2. Czech Technical University in Prague (Czech Republic)3. Military University of Technology (Poland)4. University of Bern (Switzerland)5. University of Bordeaux 1 (France)6. University of York (United Kingdom) | Ceiling for Travel expenses 500€ (max refundable amount 450€) |

The responsible contact person of each partner institution should select and propose up to 3 students interested in participating in the project, which fulfill the above mentioned criteria and then sent to us by email the name-list of the selected students. The list should provide the following information: First name of student, Surname, email address, level of studies. A total of 36 students will be refunded for their participation. More participants may be accepted only in the case of covering their expenses on their own.

The rest of the procedure will be carried out by us. This procedure includes direct communication with each student through e-mails, distribution of Application forms, registration to the course, final directions to the participants, e.t.c. During this preparative phase, our administration will keep informing the contact person of each partner Institution about the progress of the procedure.

For the scientific part of the project (Educational backbone of the course programme, lectures content, final schedule of the course, preparation of the notes, e.t.c) the responsible contact person is Prof. Michael Tatarakis.
